**Fire Extinguisher Case / First Aid Kit Cabinet**

**Mini Fire Hose Station / Fire Escape Facility Case**

Fire Extinguisher Case / First Aid Kit Cabinet / Mini Fire Hose Station / Fire Escape Facility Case

## Main a special feature

### Main Materials

Add chemicals to block UV rays  
Recyclable  
High durability against explosives chemicals  
High density polyethylene material  
There is no discoloration or breaking phenomenon when exposed to the exterior for a long time, therefore it can be used semi-permanently.

### Main Property

fire extinguisher cover made of double case  
★ Does not break even under strong impact  
★ Exceptional effect against cold weather, warmth, and moisture  
Polycarbonate is used for the window  
In places with severe flow, a Velcro belt is used to fix the inside

### Main Usage

Focused on being waterproof and safe for use in all public places such as residential spaces, offices, workplaces, ships, etc.

### Improvement

Keeping inconspicuous fire extinguishing equipment safely in a location where anyone can see it, so that the fire can be extinguished quickly

## New Products Line-up

### Magnetic Type Fire Extinguisher Case SKS-3

Magnetic

Application : 3.3kg Fire Extinguisher  
Usage : Indoor use (Home & Office)  
Dimension : 240 x 490 x 180(W x H x D)

★★★★★

**We supply alleyway fire extinguisher Cases to Daegu Fire & Safety Department**

## Products Line-up

**Fire Extinguisher Case  
SKS-1**

Application: 3.3kg Fire Extinguisher  
Usage: Indoor & Outdoor use(Show room, Work Place, Ship, Home & Office)  
Dimension: 260 x 520 x 187(W x H x D)

**Fire Extinguisher Case + Fire Alarm  
SKS-1-1**

Application: 3.3kg Fire Extinguisher  
Remarks: PE Fire Extinguisher case with Fire Alarm  
Dimension: 260 x 520 x 187(W x H x D)

**Fire Extinguisher Case  
+ Anchor Type Pole  
SKS-1-500**

Application: 3.3kg Fire Extinguisher  
Remarks: PE Fire Extinguisher case with Pole  
Dimension: 260 x 520 x 187(W x H x D)

**Fire Extinguisher Case  
+ Stand alone pole  
SKS-1-7**

Application: 3.3kg Fire Extinguisher  
Remarks: : Indoor & Outdoor use(Show room, Work Place, Home & Office)  
Dimension: 260 x 520 x 187(W x H x D)

**Two Fire Extinguishers Case  
SKS-2**

Application: 2 x 3.3kg Fire Extinguisher

Remarks: : Indoor & Outdoor use(Show room, Work Place, Ships, Home & Office)

Dimension: 440 x 560 x 220(W x H x D)

**Two Fire Extinguishers Case  
SKS-2-1**

Application: 2 x 3.3kg Fire Extinguisher

Remarks: PE Fire Extinguisher case with Fire Alarm

Dimension: 440 x 560 x 220(W x H x D)

**Two Fire Extinguisher Case  
+ Stand alone pole  
SKS-2-7**

Application: 2 x 3.3kg Fire Extinguisher

Remarks: : Indoor & Outdoor use(Show room, Work Place, Home & Office)

Dimension: 440 x 560 x 220(W x H x D)

**Two Fire Extinguisher Case  
+ Anchor Type pole  
SKS-2-500**

Application: 2 x 3.3kg Fire Extinguisher

Remarks: : Indoor & Outdoor use(Show room, Work Place, Home & Office)

Dimension: 440 x 560 x 220(W x H x D)

## Products Line-up

**Mini Fire Hose Station  
SKS-1-3**

Application: Temporary Fire Protection facility(ex; Construction Site)  
Components : Fire Hose 25A 15m, 25A Gwanchang & 25A Angle Valve 25A  
Dimension: 260 x 520 x 187(W x H x D)

**Mini Fire Hose Station  
+ Anchor type Pole  
SKS-1-3-500**

Application: Temporary Fire Protection facility  
Components : Fire Hose 25A 15m, 25A Gwanchang & 25A Angle Valve 25A  
Dimension: 260 x 520 x 187(W x H x D)

**Mini Fire Hose Stations  
SKS-2-3**

Application: Temporary Fire Protection facility  
Components : Fire Hose 25A 15m, 25A Gwanchang & 25A Angle Valve  
Dimension: 260 x 520 x 187(W x H x D)

**Mini Fire Hose Stations  
SKS-2-3-7**

Application: Temporary Fire Protection facility(ex; Construction Site)  
Components : Fire Hose 25A 15mx 2rolls, 25A Gwanchang & 25A Angle Valve  
Dimension: 440 x 560 x 220(W x H x D)

Fire Escape Facility Case  
SKS-1-5

Application: facility case for Fire Escape  
Remark: Double case Water Proof  
Dimension: 260 x 520 x 187(W x H x D)

Fire Escape Facility Case  
SKS-2-5

Application: facility case for Fire Escape  
Remark: Double case Water Proof  
Dimension: 440 x 560 x 220(W x H x D)

First Aid Kit Cabinet  
SKS-1-2

Application: Cabinet for First Aid Kit  
Remark: All-Weather Cabinet  
Dimension: 260 x 520 x 187(W x H x D)

First Aid Kit Cabinet  
SKS-2-2

Application: Cabinet for First Aid Kit  
Remark: All-Weather Cabinet  
Dimension: 440 x 560 x 220(W x H x D)
